Dear Norma Jean:

2 Feb '36

I'm writing to acknowledge the letter I received from you today dated the 27th November. I'm sure glad you're feeling a lot better. I guess you're back at work now making all kinds of money. I hope you've gotten your first allotment check for '35, don't forget to save it so that you'll be able to go to school if you want to. I imagine you had a pretty nice time Christmas with all the gals home from college.

I got three pictures in your letter and find in a letter of Mom's so I'm pretty well supplied. The drum stick in that one picture just about hides Larry Roy. I wish I could get a hold of that chicken in that one picture, his taste pretty good to me now.

I just finished writing the folks a letter and should write a couple of more after this one if time permits. Well Norma Jean don't work too hard and take care of yourself. Write Kenny often and me too now and then.
