Sun. eve,  
11/3/18.

Dear Sisters,

Am in the letter business  
t-nite so will write a few lines  
as it is early to go to bed. I  
rec my 1<sup>st</sup> letter from F.H. to-day,  
& wish I were where he is, for  
I am getting good & tired of  
Texas, & when I get out of  
it once, I'll kindly say  
good-bye to her. I refer my

honor I'll finish up to camp to get  
 any more, most of the boys have colds here  
 the year around, one day its damp &  
 cold & the next its damn cold. & the  
 next the mosq-ites are buzzing  
 around like the buzzards. are going  
 to buzz around the Keim in a few  
 more months, or sooner, probab. I  
 have been on duty all day & don't feel  
 like writing letters, wrote to Wilda  
 to- nite, she then wrote me a  
 fine little letter, yes. I'd be glad to  
 hear from any of them at any time,  
 also wrote to Stewart, Diven, &  
 Lloyd, & love a couple of others that  
 I must answer, so you see I  
 have the from to- nite, don't ch.?

How is every- one? Do it very  
 cold up there yet,? wish it would  
 snow about a foot here, some of  
 these Texas birds, I mean people  
 would think the world was coming  
 to an end, We have a new Mess  
 officer, a 2nd Lieut, or a (Beas) as

and visited to dinner call  
'em, Ralph & I, ate supper  
together to night, 1<sup>st</sup> time for  
months I guess. We are both  
well, & are trying to keep  
away from any more flu.  
Well give it 'til just  
now to close & write again  
when I feel like it, tell  
every body Hello. from me.  
The pictures were fine, and  
all out of news, or any  
thing else, so good night  
for now. Your loving bro.  
Dora
