Dear Bob:

Larry is flying tonight so I am quite lonesome. Tonight I am quite homesick also. I'd sure like to be home with the folks. Of course it would be hard to leave Larry; so I'll wait till he can go along.

We're supposed to get a week off every 3 mo. so we're about due for a week. Feb. 16th, should be the date. This time we will go see Larry's folks. Hope to see all of you also.

I would especially like

to meet Grace.

The other say a girl that I knew in Alpine, Texas, came through here and stopped in to see us. Her husband graduated with Larry and was sent to Hobbs N. Mexico. Anyway she used to live in Hutchinson & knew Grace's family. She said they were all real nice. She wasn't sure she knew Grace so well, she was younger when Alice lived there. Alice is married now and I don't know her maiden name so Grace won't be able to place her. She said Grace was a beautiful girl.

The kids are still not moved into our apartment yet and are we getting discouraged? The carpenters out here work one day's lay off four so that's why our place isn't finished.

just went home because they couldn't find a place to live, so you can see what a problem it is.

I'm beginning to wonder what to get mom for her birthday. April 19th. (which is also our 15th anniversary).

She also wants to get the kids (D.J. + Kenny) something nice for graduation. Gee it makes me feel all to stop and realize that D.J. + Kenny are soon going to be out of school.

How is everything going your way. I'm so glad the money helped you out. If you'll remember little brother you helped me out last

summer. We have wanted to send it to you so many times but as a cadet, Larry didn't make so much & it was all we could do to manage ourselves.

They're paying all our bills off now so we can be free to buy a good sub hand car. They are quite hard to find.

Write & tell me how Fenny came out while there with you.

Mom wrote that they were papering, painting, etc., getting all ready for Bob's girl, so I don't think you have anything to worry about.

I was so sorry to hear that daddy was so sick. Hope he's better now.

Bob Dawson should soon graduate from the Air Corp. (next month I believe). I hope he makes it.

Elt Sabur~~er~~^{er} is a Staff Sergeant now. ^{excuse please} Butch is still in Alaska, guess he likes it pretty well there.

P.S. By the way Bob, it's Lt. and
Mrs. A. L. Nelson and Larry not Mr. +
Mrs. Ha! Larry says when

you get in the army he will rack you
back for such a mistake. Course he's
only kidding.
