

Don't let the study of his letter get you.  
I'll do it 'nake' after,  
I promise.

Dear Babe:

I just wrote to Mom. I sent  
the letter to the address where  
we kids stayed when we were  
down there. I hope she's still  
there if she's not she may have  
to go buy & pick up the letter.

How are you feeling? Has  
anyone given you the works  
since I ~~was~~ was there, probably  
after that you've decided never

it's just one of these things. I'm  
glad to know we can rely on the  
apartment, we only hope it won't be  
too much longer until we'll be  
back home living in it. How it  
be nice ~~to~~ having a self-set alarm  
to wake you up each morning as  
little "Angel" Doll, pounds,  
on your door "Uncle Bob," get  
up!! What a "Pastor's Future."

What have you heard from  
Henry. I'm anxious for him  
to see Larry Ray for the 1<sup>st</sup>  
time

Tell your nurses to get used  
to talking just a little louder so  
they'll be all set to yell at

It's cool enough here tonight to make  
me feel like putting on some long  
trousers & I don't even have a single  
coat or jacket here. Thanks to Larry.  
At the last minute before we came  
he unpacked 3/4 of my stuff adding  
a brief "ah! You won't need this"  
etc. "So now I freeze."

One thing sure Larry Ray has  
a ~~few~~ little things he can wear  
I managed to stick them in with  
<sup>out</sup> being seen. I guess if I left 3/4  
of Larry Ray's clothes <sup>behind</sup> they'd still  
have plenty to wear.

We were a little bit disappointed  
about Bessie & Jimmie's houses but

me when I get them to, which now  
for a week.

Is there anything your hungry  
for. Tell mom to let me know  
& I'll fix it. Maybe some more  
candy, cookies or something?

Does the food taste better  
than it did? Keep eating that  
will be the 1<sup>st</sup> way to get start-  
ed back on the right track.

Guess we are going to put on a  
pot of coffee. Ange should be here.  
I'll Bob keep your spirits high.  
You've got a "One-Man Fight" there  
& you're doing a good job. We  
all know you can do it. See you  
soon. Lots of Love  
Sis, Larry & Jr.
