

April 9, 1945

Dear Bob-

We just ate lunch and now I have time to write you a few lines. Mom knows of much news except that its VE Day and every one is pretty happy about it. I wrote John Barth a short note thanking him for writing to us. It was very kind of him because we've been so anxious to hear from you.

Sunday a bunch of us girls went to the W. W. C. C. Center. We played Volley ball

for a long time. My writing here a
nice place here.

Supper. Mom has talk you that
Kenny is being mend. We don't know
where of course until we hear from
him again.

I got a letter from Wally Lusk. I've
spoken about him before and he's been
wounded again at Euro. (Iwo) He's
in a Hospital at Honolulu. He may
get to come home before long. Do
you think you'll get to come home?
Certainly wish you could.

I'm trying to talk the folks into
coming to Kansas City over the week-end.
Bring Mother's Day. I thought it would
be nice. Springfield is about two
hundred miles from K.C. I will take
a bus at 5:10 p.m. Saturday and go to
the Bray Hotel and wait for them
there. I think it would be good for
both of them to go somewhere for
awhile.

What part of Missouri is
John from? I guess I'm
doing right well on every-
thing. I made 90 in one
test and 93½ in the other
for last week. Sure hope
I can keep those grades up
there.

well Bob I'll be writing
again soon. Hope this letter
finds you feeling better.

Take care and keep your
chin up. Bye for now.

Love,
Your Sis
P.S. I'll get Mom
something for Mother's
Day for you so
don't worry about it.
She was crying about the
blanket I got her from ^{my} ^{on her} ^{birth day.}
