Dear Bob.

Hope this letter finds you feeling better. I have a few minutes before I go to school to write you a few lines. Received a note from Dad yesterday telling of mom's flowers she had gotten on Mother's Day. Guess she was pleased with them. Sis + Larry sent her some and I sent her carnations and Kenny sent her an orchid with nine roses around it. Bet it was beautiful. She knows that I have your gift here and I'm hoping to give it to her this weekend if they come to K. C. They haven't let me know anything definite as yet.

One girl had to leave this morning. All of this damp weather caused her to have rheumatism. She was in a heck of a fix. She sure hated to leave school but there wasn't anything else she could do.

It rained all night and has been raining today. I never saw such damp weather. The folks went to church Sunday then I went with to the Mothers Day Dev. She bought Grandma a ticket to California for her Mothers Day gift and they're going to buy Grandpa a ticket for Fathers Day.

Did said Anne Kupfman was home and that she really liked grand in her uniform. They saw

Aunt, Ange, Nat + Graf with at  
the Bauer Sunday night.

Grandma told me that the  
New Bauer Bakery burned down  
so I guess we don't have a bakery  
at all now.

I'm still doing fine in school  
and the teleprinting instructor told  
me last night that I'd breeze  
right through tetotyping. Sure did  
tickle me.

Well Bob this is a very short  
letter but I wanted to write  
you a few lines anyhow. Take  
care of yourself.

Bye for now.

Love,  
Your Sis
