

Dear Bob-

May 30

Hope this card finds you
 feeling better. The folks received
 a telegram from Lt. Benton
 saying that you were improving
 nicely and also that you
 would be home soon. I
 certainly hope so. I spent the
 weekend with Mom at V &
 we had a nice time. She
 went home Monday night &
 I had to come back Sunday
 evening. I'm going to send
 a gift from Mother & I
 don't worry about it. I
 liked her campach. well as long

TO HOPE YOU'LL FEEL BETTER

Soon

When folks are ill
A word of cheer
Or a friendly little letter
Is nice to get -
So I'm sending this
To hope you'll soon be better!

Love,
your Sis
