

AMERICAN RED CROSS

New Guieno

Dear Golph's:

Time again for me to drop you
a few more lines. I have rec.
three letters from Bob and he seems
to be getting settled down now, also
I received the picture of him that
you sent it is really a good one
I have one of my campaign ribbons
pinned on it, make it stand out
or such a good looking brother.

It seems as though my mail is
coming a little bit slow for some
reason, I haven't received a package
for two weeks but I know it just
can't be helped, but I do hope
my bauletts get here soon.

I am trying to make a bracelet
myself and if I ever get it finished
I will send it home, also I am
going to have to send my wrist
watch home, it can't be fixed
over here as the only place to take it
is out to Ordinance and that guy
doesn't have a stem to fit it so
he is on the lookout for it I will
mail it in either today^{5th} or tomorrow^{6th}
I still can't see what made it
break so easily - I was winding it and
the stem just broke off. the only bad
part about sending it home is that I
cannot get it insured, but I can
send it this mail, will let you know
when I mail it.

By the time this reaches you
Bob Parker should be almost home
if not already there, so if you
get a chance and have any gas
compounds left try to go over and see
him he is really a nice fellow
you see he is only on T.D. which
means he is on Temporary Duty
and will have to return over here
where he started from, he had
his choice of rotation or T.D. and
he took T.D. to make rotation here
now you need 36 month overseas
and for T.D. you have to have at
least 18 months, however you need
30 to 36 month here in this outfit before
you can make T.D.

I suppose there are a lot of people at home who still believe in the bill passed by Congress to every soldier overseas his time should not exceed 18 months and right here in my Company we have a lot of boys with 34 + 35 months just thought I would let you know so you won't be disappointed when I have received my 18th mo. it makes you feel like you had a sentence in prison and have to sweat out three years, it is a long time, but I guess it just has to be that way. Well I guess I had better close for now hoping to hear from you soon. so long for now.

Love Kenney
