Dear Mr. Bird:

Just a very few short lines to let you know the change in my address please note I am still in New London but I couldn't tell you before and I have now been assigned I expect to move up to my outfit soon, the weather here is really getting hot, I haven't been able to visit the post few days as we made a maneuver passed through the Carol Sea and that's about all I am able to tell you at present please don't worry about me as I will get along ok at present I am feeling just fine about everything in the same, we stopped eating ration here as we ran into some fresh food for a change well I will try to keep you posted and you do the same.
