Dear Bob:-

Well N.G. & I returned last nite - we are pretty tired after our little trip - I wrote you a letter on the way down but didn't write while I was there - Daddy said he wrote so maybe you won't miss too much. There really isn't any news - Jake is working on the fence & things are beginning to grow up N. I just wrote you a few lines - I mailed Gloria a box we bought Dutch a little spoon, white shirt, cup & silver cup - I guess I didn't list those nite that we're having his name engraved on his cup also - we got Gloria a dress & Punk some Easter candy & colored twelve eggs & we mailed them today. I didn't find much in H.C. guess I can't make things easier here - so long as I can get things to do with - we should hear from Kenney tomorrow - maybe you too - There were some boys on the team - Rudes who used to play when Al Billinger played & he remembers you - they were on there way fourteen days at home & then to Fort Meade - Rudes said he remembers how you used to stand out in the middle & throw them baskets - Billinger is over at somewhere he said - I left this here the F.B.I. picked up several Hay Nages - with a shack where set that had been installed in a coal furnace in Mrs. Weisser's basement - a B. I. picked it up so they say - a D. Weisser & two men named Stabb were picked up - I'm not surprised - I hope they get them here -
Dues -
Well I have a few daffodils blooming & it won't be long before I'll have some tulips & lilies - I hope your home by then - it seems aides are going around

to the effect - that the new ^{with} Germany is definitely
near an end - any way ^{that} we here have had these
orders in regard to all military personal of the base
if + when the signal comes. Well son Jim
just plain out of news - They had club today
but I didn't go as I was pretty tired - Jimmy
Steinle went down Tuesday - + is in the army -
it sure seems funny to think of kids like that
being in the army. The Swoth ^{feager} boy who
married the Cummings girl came home on
a few days leave also - Well Brownie is gone
by now Angie is all alone again - as she said
looking for another "D" that sure used to
make Brownie mad at her - she probably will
be writing more often now - + Snoopie is gone
also - I know he wrote you. I should
write at least a dozen letters - but I'm just
too tired now - Well son - I sure hope this
short note - finds you & K. + well - I think
of you all the time - Pray for your safety
I surely hope you get them sent there a
lot sooner than you that - I'm going
to try + send you something new again one
of these days - + some more fudge - the
weather is surely warmer over there
now - I see Ben & Louie has a lot of flour
I hope he never has to use well. Sorry
for now - Good luck - Good nite -
Love Mom -
