

Yuma, Aug.

Dear Bob -

Thanks a lot for  
your school paper.  
it was very interesting,  
especially the first  
column and the third  
page.

I am enclosing one  
of my pictures. I will  
send a better one  
later when I get some  
more printed. I have  
been wanting to ask  
you if you would send  
me some of your grad-  
uating pictures. This  
when you wrote and  
said some of the

and down in happiness.  
My boyfriend and I  
broke up today because  
I talked too much about  
Raymond and Buller to him  
I went riding with (Un-  
known to him the boys'  
ages are 3 and 5.)

How did the senior  
play, tryouts turn out,  
passed my fingers for  
you.

Last Thursday night  
I had a date with RL  
to go to the band concert,  
at eight o'clock. Well,  
at nine o'clock he  
showed up - drunk!  
Luckily for him my  
father wasn't home  
but he returned before

...left me begged me  
father not to say any-  
thing to him but now  
I wish I had not.

Our weather has  
changed since I wrote to  
you last. Last night  
we had an awful wind  
storm which ended up  
in a terrific rain. It  
was nice and sunny this  
morning but it is rain-  
ing cat and dogs now.

Today was senior  
ditch day. The halls  
were very quiet and  
we got to be home today  
I mean the juniors

...spring...  
Lpt! Our...  
two or three...  
The...  
...town...  
...spring...  
...local teams.

Daddy has said "Time  
to go to bed" three times  
so I'd better take the  
- but!

Sincerely -  
Ellen
