Dear Robert Joseph,

I just got back from the "cheapie", saw a fat double feature. I haven't studied tomorrow's lesson yet but I can't be bothered. I am taking Econ., R.O.T.C. & Surveying. I have that ~~at~~ Jensen for Econ, a friend of yours I hear. I take surveying all afternoon & it gets pretty warm.

I am going to Topeka tomorrow, but I won't be seeing Dallen. She wrote me a note saying she had been transferred to Chicago, and that she will write from there. Well here I am just a horny man in distress, so I

Hope you get back to run
in the track meet. (Incidentally I still will tan you)

Tell old Dumlar Hello! and
"Congrats". Hope he don't sprain
his back the first night.

Well guess I had better go
to bed.

So long,

Robert S. Finney

P.S.

Let's hear from
you.

P.S. - P.S. Tell me a few pointers
on this Econ., I would like
some advice from a "brain"??

called a kid in Topeka & told
him to line me up. Hope I
do O.K.

I suppose all of the Russell
girls (including Beck) are
hot after your body again?

~~But~~ Gunn left some of
his stuff here and is coming
back in a few weeks, if he
gets a job. Smith is think-
ing about going to Texas.

I really a big D.O. now
I've been to the show the
last two nights.
