

Tuesday aft.

Dear Proot -

Well big dog how much money do you have saved
by now or have you & Raymond spent it all on the
married gal that you've been taking care of? Have you
started doing any pushing out there yet or have you
decided to set around till you did have it set. This
damn summer school is just about the worst deal
I've ever seen because it's so damn hot and nothing
much to do.

What's wrong about that green sweater you
have of mine. Could you mail it to me unless you've
worn the damn thing out by now. I would like to
have it.

No kidding though Super man, what's the word tomorrow?
are you making enough money so you can come back
next fall and we can see the pledge? Sure hope
so. Tell Dumbler & Faith, hello for me & tell them
I wish I could have seen them hitched.

As usual the bunch up because having their show

of drinks & fun making, but it will soon Hallowe because
school is out in about 8 more days.

Will big dog write me a line when you have
time - which had better be soon and get busy on
this rushing. Have Rumber help you in the evening.
We at least want to beat the Sigma Phi's out there
(you know I think we are a little better than they are.
I wonder how our Custer Rush Capt. Bant is doing out
in the mid west?

Write soon & send Brewster.

As ever,

Jerry Ward
