Hello Bob.

I've been wanting to write, but was waiting to hear from Eugene, but have not rec. a letter since his June 2nd letter.

Im sure wondering where he is, his chaplain said he was going to China, I sure hope Eugene dont go there yet.

Yesterday George and George King went fishing and George got several, one weighed 3 lbs.

were terrible anxious to see you, so hope you'll be better soon, so you can come home.

You had us all scared Tue. eve, and we dont want to hear your worse anymore.

We know you got what it takes, ~~so~~ you wouldnt have made it this far, so keep up the good work, were hoping and praying you'll be well soon.

And I'll write a few lines as soon as we hear from Eugene, as to where he is, etc.

Im sure glad your mother can be with you, and I know you are.

I see in Russell paper, where Dean Banker asked to have his Xmas day dinner and everything he missed at Christmas: Eugene has 3 Xmas and soon will be 4 Birthdays we'll have to make up for when he gets home.

lots of love from Ida and George. Page 1 of 1
