

June 20-45.
Hello Bob:

Well old boy I imagine you are surprised to finally receive a letter from me. I was over to Russell and got your address from Ange yesterday. How are you feeling now, lots better I hope. I got home last month and was certainly glad to get back. Where is Kenny at now and how is he making out? Gene Rouse is home now but has to report back to Hot Springs, Ark. the last of the month. I

a chat with them. Neither
of them have changed a
bit. I guess I will
close for this time. I'll
drop you a few lines
again soon. Take care
boy, hope to see you
soon.
