

Dear Bob

I've almost ashamed to
send you such a corny card
but all I can say is I
certainly tried. I looked in
three different places for
cute birthday cards (Uncle
Uncle Dick, Barbara and you)
and I didn't find a one that
was cute. At least it will
carry my message wishing
you and hoping you to have
a very happy birthday. I
know you'd love to be home
to celebrate it but I guess
you can do that when you
do get home.

As you know your folks
were here the most part
of the week and of course
they took me out to dinner
Monday night. They told me
you were going to be

photography in between in the
other ones.

I suppose someone has
mentioned the new arrival
in the Truman family but
I don't know about it. I'll have
to mention it again. They
seem to be in a better
way than the other
and I don't know what the
new ones look like. I
remember they were
looking at the new about
that. I talked to them last
Saturday night and of course
were so happy to have them
near home. I think they
stay here just a little
bit. I'm so anxious to see
them. I saw them
when they were only two or
three but I don't know
how they are now.

I didn't know they had
been married until

was removed yesterday so
now I'm anxious to know
more about that. I'm sure
it would be to be free
from that part. I'd love
to know what you will
think about it. I'm sure
the operation. What will the
next one consist of? Your
father told me that you
were planning to come home
in two or three weeks and
that you would be going
a new place. You're really
getting away from me.
I'm sure I'll be able to
make some better than your
other ones. When you go home
I'd want to hear from you.
I guess I haven't written since
I got your picture and I
hope it's not too long
small. I took the picture
one because it looks nice
like you but I think the

I went home. Since the
news from home about
that time was too con-
trasted on what and Jackie.
Any way I think I will
but a letter from Kay
Wednesday, and I will come
to see you then the first
part of August or in August
since. Rather think
it will be around the 2nd
of August. See, it would be
hard to say could be here
some, and I will be here. She
will only be here for about
the 1st of August. I am anxious
to see her and to see about
her time to be home and
I will be.

I still like my job but I
do not have a lot more
than. At least I have to
had to work for another job.
Yet that is!

I'll be expecting to hear
from you before this long so
until then, take care of your-
self.

Love,
John

P.S. I will write to you soon.

Friday night
11/75

I went home. Guess the
news from home about
that thing was too concern
trated on Nat and Jackie.
Anyway I think it's small!

Set with the from Kay
Wednesday and she's coming
to see me. The first
part of the quest was in the
house some. Rather think
it would be around the 2nd
of August. See, it would be
small if you could be here
some of the while she is. She
will only be here for about
three days I guess. I want
to see her and to hear about
her trip to Alabama and
Alabama.

I still like my job but I
certainly have a hard
time. At least I haven't
had to look for another job
yet that is!

I'll be expecting to hear
from you before too long, so
until then take care of your
self.
As ever

Dear Bob

I'm almost ashamed to
send you such a corny card
but all I can say is I
certainly tried. I looked in
three different places for
cute birthday cards (for

and I didn't find a one that
was cute. At least it will

As you know your folks

of the week and of course
they took me out to dinner

photography is better in the other one.

I suppose someone has mentioned the new arrival in the Ingram family but being an idiot again I'll have to mention it again. They named him Jackie. Net wrote me a long letter this week and she said the folks were almost fooled over Jimmy's daddy though I saw a picture of him when he was two days old - how about that? I talked to Mom last Saturday night and of course she's so happy to have them over home with them and she says he's just a little doll. I'm so anxious to see him again - I saw him when he was only two or three days old and I know she's changed a lot.

I didn't know Kenney and Antoinette married until

cast removed yesterday so now I'm anxious to know more about that. I'm sure it's wonderful to be free from that cast. I'd love to know what you all think about the outcome of the operation. What will the next one consist of? Your folks told me, too, that you were planning to come home in two or three weeks and that you would be driving a new Olds 7. You're really getting fancy on us now! Power to you! I'll bet it drives even better than your other one. When you do go home, let I want to hear from you. Guess I haven't written since I got your picture - I like the one and I think they're swell. I took the smiling one because it looks more like you but I think the
