

Russell, Kansas Saturday
P.M.

Dear Bob. Birthday Greetings from
the Methodist Parsonage. Be assured
you are not forgotten by the folks
back home, I've sincerely hope your
recent operation will be all you
hope it to be. God bless you Bob
& give you courage.

We are having lovely summer weather.
I guess you are having it fine in
Michigan too. It must be fine up there
as so many "Hay Fever" sufferers
go to Michigan.

Our vacation begins on Monday & we
plan to go to Eastern Pennsylvania
& on to New York City. It is quite
a drive but we expect to go on
the installment plan.

It will be fine to see our
daughter Ruth who now lives in
New York City.

We have had a wonderful harvest
& it is practically done around
here. Mrs. Jenkins joins me Bob
in congratulations & every good
wish.

Sincerely
William H. Jenkins
