

Canon City Colorado  
Saturday

Dear Bob. We are sure glad to hear that you are getting along as well. We do not forget you. Bob & I will be happy for every good thing that comes to you. We are here in Canon City, Colorado for our vacation. It is very beautiful about here & a fine place to be away from one's job.

The State ~~Penitentiary~~ Prison is here, but we do not want to stay there. We are hoping to go thru it before we return home. It should be very educational.

According<sup>to</sup> the radio things are moving pretty fast in the Pacific. Maybe it will not be so long before Japan decides to quit too. What a day that will be for every one.

We drove out to the Royal Gorge yesterday. It is very spectacular & is surely some ditch. The bridge across it is the highest in the world.

Love Jenkins joins me. Bob is all good wishes.

Sincerely  
William H. Jenkins
