Dear Bob. We are sure glad to learn that you continue to improve; that's fine. You must have some good stuff in you. I am sure your many friends do not forget you. He had a swell vacation in Colorado, but it was sure warm to come back to Kansas. It has been quite dry about here but yesterday we had a nice rain, though I understand it was quite local & did not reach far in the country. Well, the Japanese situation seems to be clearing up O.K. & maybe sooner than we think the boys will be coming home from the Pacific Area. The school folks seem to be getting ready for the opening of school on Monday. You are not too far removed to remember all this. Jan Jenkins joins me Bob in all good wishes,
Sincerely, William H. Jenkins
