Dear Bob.

Just thought I'd drop
you a line and let you
know how everything is.
I've been getting along
fine. My ears are
almost well ~~now~~ now.
The doctor said it would
be about a month yet
before my hearing
would return to normal.

How's things at KE?

Are you and Grace getting
along O.K.?

Talked with "Siren"
Sewell yesterday. He
doesn't know when
he'll be called. I
imagine he'll be
gone in about 2
weeks.

Well Bob - take good
care of yourself and
write soon. Fraternally
Dick.
