San Antonio District
Army Air Forces Personnel Distribution Command
SAN ANTONIO, TEXAS

Monday

Dear Bob:

A little late as usual but, heck fire, this place gets me down. With nothing to do all day but swim all day, it's easy seen, that I like a hard life.

Les Hunter is down here and the last I heard he is planning to stay in a little longer. I'd sorta like to stay in too but, if I did, I'm afraid I couldn't get in time to begin the second semester at K. U. Les, is going to stay in until after Christmas and then

go back for the 2nd
semester with me. I
hope he doesn't get
stuck away in some place
as a mess officer. Oh
Big Dog Hunter is really
laffing these days. At
the Gala Opening of a
Returned Officers Club
he met a girl and since
then he has been pretty
well occupied. I don't
think the best I can do is a
Mexican girl about 3
feet high. - PHOOIE

This place is jam-
med with men, so

Know Bob, but it looks
to me like too many
guys have the same
idea as I am going
back to school before
the Govt decides to stop
paying my way.

By the way, do you
remember Frank Elliott,
Well, I met him in
Miami Beach. He's a 1ST Lt.
and a B-24 Pilot. He
fought the war from a
P.O.W. camp to and so
did Walt Doerschlag. Les
told me he met Amin
London also, as you
may know, Southern is
trying to get back to
D.R. in time for the
fall semester.

Now all you have to
do is to get yourself
back in Lawrence of
ter the first of the
year and every thing
will be fine. Work
along those lines
and let's get K.E. going
It will be swell to
see all the boys.

Don't write Bob
because I'll probably
be home soon.

Work like hell Bob,
everyones waiting for
you.

Fraternally in
H. E. K. D. ☺
