Wed Morn.

Dear Bob,

Received your card yesterday and want to congratulate you on your work with Bob Edwards. No, I have not written him but I have written Bill Wilson + Ochs. Give Ochs a pretty good one as I understand from your letter that he is an awfully good boy.

About the boy in Greenway who is about to go EN. I only know one boy here in town who is a Hall boy + he lives at Batterfield. He does not begin to have enough of anything to judge - if this is the ~~top~~ boy that the EN's are referring to - they can have him. He is a doubly poor boy. Aparent got anything at all including money.

I must get started studying as I have loafed so far this a.m.
See you in Sept. (7th).

Keep up the good work

Jansie
