Dear Bob -

Received your letter this morning
am am awfully glad that you are
working so hard. To begin with
Smith left for Texas yesterday
morning. I cannot say for certain
whether he will be back or not.

I will enclose some fraternity
stationery, freemason's rush jauplets,
rush cards but I cannot do you
any good with a Jayhawker. I do
not have any and do not feel free
to ask other fellows to give theirs
up.

No, nothing has been done
about London & Mick but I promise

faithfully that I will get on that
immediate all reports,
rushing it along in pretty
good shape
I will write to Deal

+ slip him hand from
this house help a little
with him

Best - I have
about 10, each letter to write.

Thanks for the letter + good
luck on your pushing. Will
all hellos + be careful of G. Rogers.

Sincerely
James
