

July 27-45.

Dear Bob:

Well old boy how are you feeling by this time? Late better I hope. Seems like there is never any news to write. Snoopy was home last week for a couple of days and I stayed at News while he was there. Sue did have a good visit. He had to report to Lincoln, Neb. G. Rouse called the other evening and he was on his way to Omaha. He will be working on some irrigation project there. What did you think

about Snoopy getting married?
Francis Schuler was home
on furlough a couple
of weeks ago. I had
malaria a couple of
weeks ago but am O.K.
now. We are expecting
Jebby home pretty soon
but don't know just
when. This town of
Natoma is quite a bug,
boy what a place. I saw
Everett Sumner in Russell
the other day. Don't
know how long he is
going to be home.
Well guess I will
quit for this time.

I'll try and write a
little oftener than I
have been. Take care
of yourself and hurry
and get well.
