Dear Bob,

Just a few lines today to say
hello & to wish you all the luck
in the world.

I really enjoy my short stay
at home because most of the
old gang was there. I leave here
Monday for Great Lakes, for
a little shore duty I think. They
have me under order so I won't
be able to come over before
leaving. So until we meet
again Goodluck & Goodnite

Your Friend,
"Red"
