

Monday, 24th

Dear Bob

Went up to Lawrence
this last week and for
rush week and when I
was over at the "Kawki",
Cliff told me you were
back in the States, well
in Hunter's, and now
are home on a furlough.
Well, I'm glad to get
you located again.

Stan and I had both
wondered where in heck
you were. Certainly hope
if you get this way
again that we can get
together like to see
you & Chum. I'm going
to be going up to
Lawrence on week ends
this winter, so maybe

I'll see you there or
if you're going to be
in Japan for any
length of time so I
could visit you,
why I might drop up
~~at some~~ afternoon
for a visit. Let me
hear from you so I'll
know when you're
going to be where.

Stan's flying the
hump. He's stationed
in Burma and flies
gas and Chinese troops
to China. He hopes
he'll be able to make
it back to the States
by Christmas - he
has 800 hrs. to get

in before he can come
home - and then when
you get them in I
suppose you're lucky
if they let you go.
Ed is somewhere in
the Pacific - honestly
he's really had the
smooth time hitting all
the interesting places
and being in Hawaii so
long and going back
and forth between there
and the States. Stan
just cussed him out
Ed just missed seeing
Sonny Love one after-
noon, by an hour! -
Sonny left a note
for him and said
he couldn't wait

forgot my luggage - he
had to board his ship.

Can't think of any
more news to write, ex-
cept maybe that I'm
now with an advertising
agency in N.C. and doing
national ads for
magazines, etc. Like it
a lot.

Well, but better close.
Hope to hear from
you. Don't know
how much you got
banged up, but what-
ever it was, you're
a determined devil
and'll be ^{up} and like
"Super Man" in no time!

Be good.

as always
