Dear Bob -

Say, we
certainly do miss
you and Bill
here at 828

ON WINGS OF SONG

Lane - when are you going
to make that return
visit? Just any time
will be fine with us!

I saw alot of your
fraternity brothers last

Saturday night. They had
a real party out at Yarnell's
house. Hoop, supposedly,
planned it, but it seems
he rather snarled up the
affair - a few of the boys
were a little disturbed,
but I guess all is well and
serene now. Afterwards they
all went out to Meadow
Cres, and I went along -
They're a nice bunch of

⁻³⁻
people, I think.

Mother says you and
some stairs had a little
mix-up — would you
please tell the stairs
that they are to behave
from now on — that
they are to cooperate with
you and not cause you
any more trouble. That's
an order!

We certainly enjoyed

the flowers that you and
Bill sent - they were
lovely - thank you very
much.

Take care, Bob - and
hurry back to Topeka.

So long.

Alvie
