Dear Bob:

I know your Birthday
card is a little late.

How are you doing?

I was talking to your mother
yesterday - she said your
Dad just got back from
seeing you. I think
of you. keep asking about
you. even if I haven't
written very much.

I have been real busy -
my sister + family + I
plan to leave mon
morning for a few days
visit to Pompa Texas.
we have 2 sisters there.

It has been quite cool
here the last week -
Hope all is well with
you.

Bye for now -
Best of luck to you -
your friend
Jennie McCounell.
