

Thursday

Dear Bob.

Cliff and I called on you at Winter General only to find you had left yesterday. We were both disappointed and pleased. Disappointed because we didn't get to see you, but happy to know you are well enough to be out and on your own

for a month.
We hope you will
be able to visit Lawrence
before you have to report
back the 15th.

The "Hawk" will have
its' official fall opening
Monday and it looks as
though we are going
to have lots of new students
on the hill.

Hoping that you will

continue to improve and
that we may see you
in the near future -

I remain, as ever

Marion Clifton
