

ME? Dear Bob,

Gulls!

Well how is the
Russell Drug getting along with
out the best soda jerk they
ever had. Ha! Ha! No, really
I'm not conceited, I was only
feeling. I haven't been doing much
of anything since I have been
in Wichita yet. I have been
working awfully hard, harder
than I ever worked at a drug
store. Moving is a bigger
job than I thought it would
be. Well, well Bobby how

are you and Gracy getting along. Has she gained any speed. Ha I fooled you. I bet you thought I was going to say something else.

I got a swell letter from Helen Beck this morning. She said the steak sandwiches are better. Maybe I should have sent long before I did.

Say, believe it or not I drove down town in Wichita yesterday for the first time. If the people had only known it, they would have stopped all the traffic so I could have

the whole street. But I got
home safe and sound and so
aid everyone else.

When are you coming
to Wichita? you had better

look me up when you
come to see your sister
graduate or I'll be plenty
mad. My phone number is

3-9153. I thought I would
tell you because it isn't
listed in the phone directory.

Say, listen here Jerry,
what's this you have been
telling Phil. It must be pretty
bad because I have only
gotten one card from him.

Do you suppose ^{he} we would
write me a letter if I sent
him a 5¢ stamp.

Have you been getting
lots of hours in now.

Is Jack still as d--- as he
always was. I imagine he is.
Well write to me some
time soon. Don't work too
hard and tell every one
at the drug store hello!

Sada Jukes no 1.

my address
is 621 N. Market
Wichita
