

JEFFERSON BARRACKS
MISSOURI

Dear Boston:

Well how is the Kansas U. slicker,
I suppose all the Helos are set
for you ~~too~~ now.

We had a bit of a time getting
here, but I really like it. Believe
me this army life is plenty O.K.
They tell us out here that the
rest of the Air Corps people will
be called soon. I haven't seen
Sue, Held or Herb yet, but
hope too.

I am bunking with eight
fellows, some: Jack Morgan #40,
Ray Meyer and a bunch of other
been groups. Fooie is busy play-
ing poker and says "Hills".

We haven't done a damn
thing yet, but expect to

work the afternoon

The mud here is ankle deep,
we don't have any lights or
hot water but out side of
that its a good place

Tell all the boys "hello"
and tell them to write.

give P. D. Bent hello

Here is my address let me
hear about "Suds" and the
logs.
