Address

Dear Sir:

I haven't written you for
 quite a while, so I will let
 you know what has happened
 the past few days, nothing
 new except I am on orders
 to move out, and I have been
 for quite a while don't know
 where we will go, but we
 still have a tough fight
 over here before we can say
 the war is over and I don't
 think it will be too soon.
 I personally think it will be
 a year or longer - so don't
 let your hopes built too high.

on this war being over
all too soon. Let's hope I am wrong.

I am glad to know that
you are doing so well in
your exam. Keep up the good
work, only wish I was going
to school, I would really
put my heart into it, so I
want you to do your best.

I am proud to know you
are doing so well and so
is Mom + Dad.

One of my old buddies
lives at Springfield Mo. and I
thought you might try to find
out what his address is.

Dear Sir:

His name is Jomiel O. Doing
and I have lost his street
address, but maybe you
will be able to find out
where he lives even though
I can't much to go on.

I suppose you know
how I feel about Bob
being wounded so I won't
say anymore about it as
it is something we should
try to forget and do all
we can to cheer him up
and also mom I know she
is worrying too much and
you can't blame her, so
try to drop Bob a line every
day and I will do the same.

Thank's for the swell
compliment, but I don't think
I could win any contest, after
being over here in the jungle
and taking atabrine, my skin
is as yellow as the leaves
back home in autumn, but
I hear from that girl you
mentioned the one from P. H. Texas
tell her I hope that her
being a Texas ~~maker too~~
doesn't annoy me at all, as
I have been in Texas before
tell her to send her picture - as she has seen
mine

Will see I better close
for now and write to mom &
Bob - so until you hear from
me again, keep up the good
work and let me hear from
you. So long for
Love, Henry.
