Dear N.J.

Just a note as I'm tired - I quit finished  
 writing Bob & Kenney - I've had a bad day  
 as we had bad news from Bob again - He was  
 injured on the 14<sup>th</sup> in the shoulder - he wrote the  
 letter the 18<sup>th</sup> we received it today - six days -  
 & he had been in the Hospital from the 14<sup>th</sup> to the 18<sup>th</sup>  
 when he wrote - & only a few lines - said he was  
 in a clean bed & had good care - but due to the injury  
 to the shoulder he couldn't write much but would  
 write as soon as he could & let us know more -  
 he said wounded in shoulder so I don't know how  
 it might have happened - I'm quite worried - still  
 it could be much worse - Daddy thinks he  
 was very lucky & I guess he was well know more  
 soon - will probably be notified by the War Dept -  
 I called Gloria & she hadn't or didn't even

know we'd wired her twenty-five dollars - until I  
 told her said Larry & Ray was OK now & really  
 okay - Larry made him a little table & he too  
 his own little chair so he eats by himself -  
 Gloria said she'd been thinking about Bob so much -  
 anyway N.J. - I wanted you to know well keep you  
 informed - I hope you are OK & like your work -  
 Daddy's asleep as usual - I forgot to get him a table  
 & mail these letters I sent Bob & Kenney a box today  
 must get your things ready but don't know for sure  
 where to mail them - Will I write more later - write  
 to Bob - Love Mom
