Dear Phyllis:

I was very much pleased with the shirt & tie which I received last week & I thank you & Bob very much for them. I did change the shirt at Hardy & Mac Swinney's for a size 15 or it was 1/2 size too large. They carry the same brand.

Just got your card & I'll get package into post office as soon as I can.

Everything goes along about as usual. Mother is feeling better & more rested. Judy is planning to come home a little early so that she can enter Horse Show at Hopkinton Fair. Really wish that she forgot it because that is fast company & it means keeping the horse there for three nights but she is bound to do it.

Farm goes along about as usual. I don't enjoy living alone & don't have the time for the Lake or when we lived in town, but I guess I can endure it.

Hurriedly  
Love Dad.
