Tuesday

Dear folks

Well I recieved a letter from Dad + one from mom last night, but I didn't have time to answer it, as we went on an overnight problem again, we had a war between Co. C. & Co. D. the white & blue army, we had to creep and crawl for about 150 yards and they tried to catch us, it wasn't any fun in fact it was really tough, Bob came over tonight while we were having mail call he was really tired as he had been on a hike

if I remember right  
he went 8 miles in 1:30.  
and it was really fast  
today, Yesterday they  
started to put salt  
in our water, coffee  
as it is so hot here all  
the salt in our system  
sweats out so we have  
to drink salt water to  
get it back in the  
system and it isn't any  
good, the water is bad  
enough let alone the salt  
they put in it. Now  
in your letter, you said  
you got Marvin Muro's  
letter, well I am really  
sorry, but you know

a boy will ~~to~~ write  
another boy so don't  
think anything about it  
I promise it won't  
happen again. I've  
isn't much I know  
to write about except  
they are about ready to  
call us out so we  
can get our shots  
I will write and tell  
you how I make  
outs will keep on  
writing and you can  
send me some oranges  
or anything soon
