

Dear Dad:

11-24-43

I have a few spare  
minutes so I thought  
I would drop you a line.

I received your letter  
last night, ~~so~~ today is  
my third day of POW camp.

I don't have to tell you how  
I like it as you ~~can~~ know  
yourself how it is sleeping  
in a pup tent and out  
to ground practically. It is  
kind of fun but it is  
not what I expected, we  
have air raid all the  
time and gas attack's, we  
havechow the same + we also  
have rations, tonight we  
have a night of life, so  
if I get the chance this

afternoon I am going  
to "goldbrick" all I can  
you said in your letter  
over

that I could call on mine  
you if I get a furlough,  
well that would be ok,  
if I had time but  
if I get a furlough everyone  
else will get one almost  
so the guy that has the  
money with him can go to  
the bus stop and then to  
Hibler, and won't have  
to wait on a miss it  
would take 3 hours for me  
to see you and so I would  
lose about 6 or 7 hours  
at the least so you can  
see how much I would  
like to have you see.

the money, so if I get  
a furlough I can be on  
my way home, as soon  
as possible, well I got  
a letter from Ethel so I  
will try to answer it, so let  
me hear from you soon  
with love
