

Dear mom:

Well, mom how is everything around there, and how are you and dad getting along, I recieved my shipping orders , and I know for sure that I will leave tomorrow but where I am going I will not know till I get there, in case you don't hear from Bob he has been shipped to Barkley Texas it has something to do with medical school or something in the line of medical work so he has a good deal as far as I knowbut when you hear from him if you don't before you get this it will at least let you know where he has been sent, so please send me his adress when he writes to you, I am still working here in the office and am getting along swell Dean Krug was the only Russell boy who didn't get his shipping orders as far as I know, E-nie Ressigg Melvin, and about four other russell boys got the same shipping order number as I did and I am hoping that we all get to go to the same place which might happen very easily, don't forget to send me those adresses that I asked you about in that other letter + was sure glad to hear from you and dad so keep on writting and don't stop, By the way I just happened to remember that when I go to my perminate camp you be sure to notify the Red Cross where I am stationed, just in case you should have to get ahold of me they will have me on my way in legs than an hour, so this is very important that you make this connection for me because I cannot do it myself, and in case that bob does not remember do the same for him, well it is twelve o'clock and my relief just came through so I guess I will go to bed, please say hello to everyone for me and take care of everything till I get back which I hope won't be long,

If you want too you can
send me some cake and cookies

when I get stationed because

a guy really gets tired of this Army chow.

WRITE SOON
