

Dear Lollie:

I received a letter from
mom today, that she wrote the
14th. I bet Norma really
hated to leave Larry Ray but
that just one of those
things that this man has
brought about, but I think
it should be over in the
near future and we can all
be together again, I sure
wish I could have seen the
baby, but there wasn't a
possible chance of getting a
furlough from here, and the
main reason was that I
had just had one, so

inquired about the ten days
that I had coming & found
out I would not be able
to get it for at least
another 4 months so I guess it
is out of the question. By the
way I forgot to tell you that
my ring is a perfect fit and
I really like it, about my
watch it still isn't here
I am still trying to find it
but it seems that no one
knows what could have
happened to it unless it
is on the way to me, I
think by your letter I should
get it within the next few
days, I really hope so.

About the advice on the
insurance I will have that taken
care of tomorrow, & also the
allotment, they will probably
cancel it if you didn't
fill in the papers, if they
cancel it I will ~~be~~ have
my bonds raised to \$18.25
so I will have a \$25.00 bond
saved every month, & it will
give me more money to spend
but if they don't cancel it we
will just let it ride, but
you do what you want to
about it, as you know
what is best, By the way do
you know how much I have in
bonds & cash in the bank - I would
just like to know, if they keep standing
over
