Friday eve.

Dear Mom & Dad:

I have been at the service club this evening, and just as I walked in the door I saw Mel. & we had a swell evening together. I still don't know how long I am going to be around this place but as long as Mel is here I don't care, we are not very close together but we manage to get together somehow every day if we can. I still can't find out what where my match is, but about all I can ~~wait~~ do is wait and hope that it gets here before I leave, there isn't a ~~lot~~ lot to ~~do~~ to write about as there isn't any news around here, they have really been keeping me busy, one detail after another, I haven't rec. any mail from you since last Sunday, but I know you are very busy so. just drop me a line when you have time and I will try to do the same, I haven't heard from Bob either I guess they really keep him busy also. well I will close for now & go to bed so I will say good-night  
Love Kenneth
