Friday

Dear Dad:

I received your letter,
today that you wrote the 1st.
I was very glad to hear
from you, as yet I
haven't been able to go in
an see mama + Gloyd, but
I have handed in for a
weekend pass (36 hrs), I
don't know whether I will
get it or not but I hope
I do, I have called them
and ~~had~~ talked to them, so I
will let you know how
I come out on my Pass.
about my trip it wasn't
anything very exciting as me
-over-

passed through all the large
cities at night, we went
through Chicago, R.C. - Topeka, Denver
Reno, Salt Lake city, and then to
Pittsburg we traveled one whole
day through Kansas, but we
were up along the border and
there isn't much up that way
except a few small towns,
the only one I remember was
Clay Center Kans. you can look
on the map and see where it
is, we ~~were~~ were suppose to
go straight through from R.C. to
Denver on the Union Pacific, but
our route was changed so I
didn't get to see good old
Russell,

I saw a few deer in
Colorado, and the mountains, and
snow all the way, and that's about
all I saw. I may call
you someday, about next Sunday,
that is if I call, so don't
be disappointed if I don't, if
I get the chance I will call you.

I saw Melvin at Reynolds
but he didn't come down here
with me, so ~~we~~ we are
not going to be together, tho whether
here in rain and more rain,
but today it was really nice,
well that's about all I
have to say for now so write
when you can. Love Kenney "OVER"

about my wrist watch
I still haven't heard anything
about it.

It is 32 miles from
here to Oakland.

I can't tell you how long
I will be here as I don't know
if ~~it~~ is about the same as
Reynolds, I may be here two
days or 2 months, I don't
know.
