Dear folks:

I received your package today and everything arrived ok. that candy is really good now - also I rec. a letter from Mom & Dad, but then I will try to answer them as soon as I get some time, they really keep us busy here - I would like to tell you where I am but that is impossible, except I am on the west coast, there isn't really very much to write about, because I cannot tell you anything that I want to, so you will just have to wait until I am able to let you know where I am, but don't worry about me as I am feeling fine and I weigh 187# "no kidding" - they really feed us, all we want to eat here - but I would trade it all for one of your meals now - I am still a peeper but I don't know whether or not I will get to help by ship or not -
- over -

it all depends on how
many 'now' coms. they will need,
I hope I make it, I am
wearing my stripes now and it
really sounds funny to hear the
guy call me 'captain' instead of
Dole or something, I take the man out
on detail, and work them and just
a little bit of everything, well
I guess I had better close for
now hoping to hear from you
soon please say hello to Hank
and Della & Jack, & Bill & Pat & tell
them I will drop them a line or two as
soon as possible.

Love
Colonel: Kenoef

Mom:
Send me some
snapshots if you
have any new ones
