Dear folks:

Well I don't have a lot to write about but I know you want to hear from me as often as you can so I will try my best to write every day.

I was wondering if you could have the school paper sent to me as I would appreciate it very much, also the News. I am feeling just fine and getting along ok. I haven't had a letter for 33 days but I think I should get it soon, as they said it would be here, please don't worry about me as you know I always get along. Please give all my regards & tell them I will write when I find time.
