Dear Mother:

Here goes for a few lines to let you know that I am still getting along ok. When you had me my hair cut I got yesterday, one of the fellows shaved all my hair off, and I really look, as though I were bald-headed, but it is so but how your almost have to have your hair cut, don't worry as it will grow back, I will try to find a camera and send you some pictures if I can. If you see Howard that tell him he owes me a letter & give him my new address also give to some, bring and to Annie dad & explain a little, as you see I had to give up all my papers & address so I haven't got any of them, although they let me keep my photographs I had, so please do this if you find time. Love  
Wm. H. Dole
