Dear Folks:

Just a few more lines to let you know how I am getting along O.K. and I am feeling fine, as far as news goes there isn't any that I know of, I haven't seen a new paper for two months so far can see I don't know too much, they may be some paper here soon, and our mail should be sitting here soon, I hope. Hope this short letter finds you all well and happy and alas the neighbors.

Well I will close for now hoping to hear from you soon as long for yours.

Love
Kenneth D. Dole
