Dear Mr. Dole:

Here goes for a few lines by candle light  
I am feeling just fine and getting along ok.  
hoping this finds you the same, I was  
very happy tonight I received of my first  
letter in 70 days, and it was from Helen Dole  
I only hope I get one from you as I  
would like to know how you are  
getting along back home, I remember  
when I thought about Arnold's letters  
being so short and so far and far between  
but now I know why it took so long,  
but it will just have to wait my untitled  
mail starts coming through. Please give all  
my regards.
