Dear Lella:

Just a few more lines to let you know I am getting along ok, and feeling fine, hope this finds all of you the same. I just came back from the creek, where I have been doing my laundry all morning, I wish I had your washing machine now, it's pretty hard to scrub them on a rock but it works if you stay with it long enough.

There isn't any news, at least none that I know of as I haven't seen a newspaper since the first of March and as for mail I have received only one letter from Helen they keep telling us we are ~~supposed~~ supposed to be getting it soon but it doesn't seem to get here, but the Army doesn't worry about you once they have you. I wonder how Bob is coming along, the last I heard he was supposed to be getting that furlough he had coming, I hope he got it ok, and hope he had as wonderful time at home as I did when I was there.

By the time this reaches you  
all of the seniors at home should  
be about ready to graduate, please  
give them my best wishes and tell  
them to join the Navy. I hope you  
had a nice mothers day mom even  
though all of us are so far away  
we still think about you all  
the time and wish you and Dad  
all the happiness in the world.

I wonder if Larry is  
still in the states they say they  
are going to have a lot of our  
men over here before very long  
so we can get this S&S War over  
so we can go back home again.  
I know it won't be too soon for  
me, and the rest of the boys  
feel the same way.

Love  
Jim Son Kenney
