Dear Galk's & Sis:

Just came back from Chow  
and I have a few minutes so I  
thought I would drop you a  
few lines to let you know I am  
feeling ok. Haven't had a letter for  
a few days, but I suppose it  
was held up somewhere along the  
way, it has been raining here for  
the last few days without a let  
up, and it is really muddy, even  
inside my tent the mud is about 6 inches  
deep, I hope it quits soon so I  
can dry some clothes, I heard that  
the Allies have invaded France but  
don't know whether it is true or not  
I only hope it is so, because when  
we have Germany licked we can  
knock the Japs for a loop over  
here. I hope it is all over soon  
so I can get back home and  
tell you all about it, I think  
I can tell you now the name of the Boat  
I came over on, it was the U.S.S. Hermitage  
a large troop transport.

As far as news from this end  
there is very little at least none that  
I know of at present, don't know how  
long I will be here may be leaving  
any time and I may be gone for  
two or three months, well there isn't a  
thing ~~for~~ that I can think of so I  
will close for now hoping to hear  
from you soon, I will write  
whenever possible, so long for now.

Love  
Jenny
