Dear Folk's
& Al:

Here I am again, finally to drop you a few more lines, enough at least to let you know that I am getting along just fine and feeling OK, hoping that this finds all of you the same.

I was very sorry to hear about Norma not feeling so well and I sincerely hope that by this time she is feeling OK again, and please, if at any time, anyone in the family, is unfortunate enough to become ill, don't hesitate to tell me all about it, and I am glad that you did. Tell me Norma was ill, otherwise when I eventually would have heard from someone, it would worry me, but you did the correct thing by telling me all about it and I know you understand my viewpoint. I hope by this time you have received some pictures from Frank, and that they didn't scare you too much. I want to get some more as soon as possible.

I am really behind on my writing and I do hope that I will be able to find time to answer everyone that I should. I haven't received any packages for some time but I do have the list of what I have on the way so I can make a check on everything that I receive, hope it all comes through, as I know how much work it has been for all of you, to get everything ready, and I can't explain how anxious I am to get them all, it will be just like pms here when they arrive, and I probably never will hear the last of it, when you said you had sent me a yo-yo - the boys said to tell you to send some marbles or jacks, but they were only kidding I guess I had better close for now and get some of this work done, will try to write more later, please give my regards to all, goodnight to you, "it is morning here now"
