

Dear Folks  
& Sis:

Just a very few short lines to let you know that I am O.K. and getting along just fine, hoping that this finds all of you the same. I received a letter from you today and was very glad to know that Norma is feeling better now. I hope that she will be up and around by the time this reaches you.

Well the weather here is about the same, and news is something I am unable to pass on to you, however. You will hear or read about it in the papers.

It won't be very long  
now and B. B. should be  
coming home again, to see  
you, and with his Commission  
I bet he will really look  
sharp in his uniform, so when  
he gets home don't forget to  
send me his picture, by the  
way I am sending a few I  
have here with me also, all  
the boys here on ches are on  
their way home now, they promised  
to write to you, so please, send  
me their address, in case they  
do. I have my watch back now and  
I really do like it fine, thanks again  
for all the trouble you had with  
it. Hope you have an enjoyable  
Thanksgiving.  
Love  
LORNEY  
over.

Please send that watch if you want  
you had fixed, I wouldn't have  
any trouble selling it.
