Dear Folk's & Sis:

I have a little time so I thought I would drop you a few lines to let you know that I am feeling just fine and getting along just fine, hoping this finds all of you the same. I rec. a letter from Bob yesterday and I am going to try to find time to answer it, also I received one from Norma and one from Dad so my mail is again coming through. The letter from Mom was mailed when she was in Boeing back in March, I suppose I should be getting my Christmas cards soon.

The weather here is rather damp as it has been raining almost every day for some time, and the mud is terrific. I don't know how long I expect to be here but my guess is that it will be for some time I will do my best to try and keep you notified on any change of address that might come up. I am now in a combat area in the South W.P. and I have seen a few Japs by the way, Now please don't worry about me as I will be alright just keep the mail coming through and I will get along just fine. In regards to the letter from Dad about the royalties that he bought for me I appreciate it very much and I hope it comes through and it might make me some good money someday, I hope if you get a chance to buy any more and I have any money left in the bank see what you can do for in the line of royalties I might be able to sell some of it to one of these natives.

Well I guess I had better close for now and get some work done I will do my best about writing to you and you please try to do the same, if you can please send me some snapshots as I have never received any that you said you sent. Well I must go for now so please say hello to everyone for me and tell them to write and I will try to do the same, so long for now.

Love Your Son
